SCHOLARSHIP PROGRAMS OVERVIEW

The Horatio Alger Association of Canada has awarded more than $7.1 million in scholarships to more than 1,100 hardworking students across the country. Recipients of these awards are rewarded for persevering through adversities while committing to academic excellence and serving their communities. The Association focuses on helping these young people pursue their dreams through higher education, which changes the trajectory of their and their families' lives forever.

SCHOLARSHIP AWARDS

National Entrepreneurial Scholarship
Each year the Association selects 10 inspiring graduating high school students to receive the National Entrepreneurial Scholarship. In addition to a $10,000 scholarship, National Entrepreneurial Scholars receive an all-expenses paid trip to Washington D.C., during the spring of their terminal year of high school to participate in a conference with their American National Scholar counterparts.

Canadian Scholarship
The Association annually awards 160 scholarships, valued at $5,000 to graduating high school students who demonstrate perseverance in overcoming adversity and a commitment to their communities. Students from all across Canada receive support through this program.

Fairfax Financial Entrance Awards
The Fairfax Financial Holdings Entrance Awards program is a partnership of Fairfax Financial Holdings Limited (whose Chairman and CEO, Prem Watsa, also serves as the President of the Horatio Alger Association of Canada). Through this partnership, more than 45 scholarships are awarded to selected youth residing in Canada who face significant financial obstacles to help them achieve a Canadian college or university diploma or degree.

The Fairfax Financial University Scholarship provides $24,000 scholarship awards and the Fairfax Financial College Scholarship provides $12,000 scholarship awards.

Eligible colleges and universities are listed by territory below:

- Alberta: University of Calgary, SAIT Polytechnic
- British Columbia: Simon Fraser University, University of British Columbia, University of Victoria, Capilano University, Douglas College
- Manitoba: University of Manitoba, Red River College, Assiniboine Community College
- Newfoundland and Labrador: Memorial University, College of the North Atlantic
- Nova Scotia: Dalhousie University

Indigenous Achievement Scholarship

Five awards of $10,000 each are awarded annually to Indigenous students who plan to start a four-year, post-secondary program in the fall semester.

Vocational and Technical Education Scholarships
The Vocational & Technical Education Scholarships, valued at $3,000, are awarded to eligible students across all provinces and territories in Canada. Scholars in this program enroll in a three-year (or less) career or technical degree/ certificate program that leads to direct employment post-graduation.

Crown Lift Technical Scholarship*
The Crown Scholarship provides two recipients with $2,500 to pursue an Associate's degree or certificate in industries such as manufacturing, production, or welding. Recipients of this award display both integrity and perseverance in overcoming adversity.
